Thanks Rich. Also, any word on the disallowed costs from last month (Feb's invoice)??? I suspended over \$10K. While some of that will ultimately be disallowed, I will still need a follow-up on the costs that were unsupported. (No invoices, etc....)

Thank you,

Karen,

OK to pay Dimock Techlaw.

Sorry, I missed this. I will ask Joanna to cc you on her emails to me. Then if you want my confirmation (in case I miss it) you will be in the loop.

I have reviewed the invoice. There were some items that they will be crediting back. Based on my review I recommend payment of the invoice. I will verify that the credits are received on the next invoice.
